

GIBA BRIDGE PASS ACCOUNT ONLINE ACCESS

We are pleased to announce the launch of our newest feature: online access for standard bridge pass accounts. This site can be used to update your contact information, set up notification preferences, request additional passes, edit payment information, add funds, print receipts, monthly statements, and pass usage.

To establish online access to your current standard bridge pass account:

Step 1: Send an email to admin@giba.us including your account name, bridge pass number, and the email address you want linked to your account.

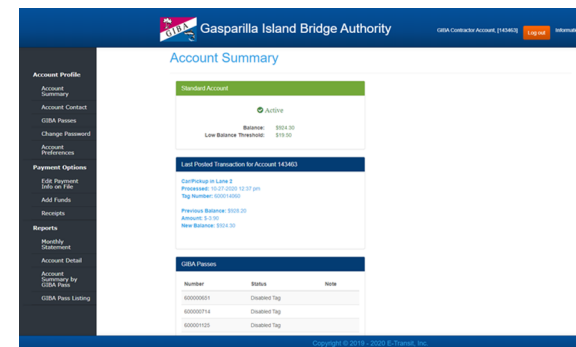

Step 2: You will receive an email from noreply@giba.us which will include an account link. (If you do not see the email in your inbox, check your junk/spam folder). Click Join GIBA Pass.

Step 3: You will be prompted to create a password. Type in your password, confirm, and click Create Account.

The image shows the password creation page on the Gasparilla Island Bridge Authority website. The header includes the GIBA logo and the text "Gasparilla Island Bridge Authority". There are navigation links for "Lock Me Up!", "Open New Account", "Log In", and "Information". The page has two input fields: "Password" and "Confirm Password". Below the fields is a "Password Requirements" box with the following text: "The password must be eight characters or longer.", "The password must contain at least 1 uppercase alphabetical character.", "The password must contain at least 1 lowercase alphabetical character.", "The password must contain at least 1 numeric character.", "The password must contain at least one special character.", "Special characters: ! ~ - ! @ # \$ % ^ & * - + = { | } [] ; : ' " < > , . ? /". A green "Create Account" button is at the bottom.

Step 4: The Profile page of your account will open. To navigate or edit your account, follow the menu prompts on the left side tool bar.

If you have any questions, contact GIBA customer service at (941) 697-2271 ext. 1 or email admin@giba.us
